

# NEW! NOTREE® PAPER CUTLERY

World Centric is proud to announce a new line of durable, compostable paper cutlery made from FSC® certified bamboo paper with a heat tolerant coating for smooth, easy use—a sustainable and functional alternative to traditional plastic cutlery. Individual forks, knives, spoons, sporks, and assorted kits are available now. Individually wrapped items will be available soon.

## Key Features:

- Made from FSC® certified bamboo paper
- Heat resistant coating gives cutlery a smooth mouthfeel
- Surprisingly sturdy and suitable for all food applications
- Verified for home and industrial composting by NSF
